.NET DEVELOPER

DESCRIPTION

Pioneer Technology Group is an equal opportunity employer with a full suite of software utilized primarily by the government. Pioneer's employee benefits package includes Health, Dental, Vision, Life Insurance, 401k retirement matching, paid vacation and sick time. Pioneer is privately owned and staffed with energetic professionals that believe in making the company the best in the industry.

Pioneer is currently looking for bright individuals to join the Software Development Team who are passionate about the technology industry and have an interest in starting a career with an expanding company. This is a Full-time position in our Sanford Florida home office.

Office hours are Monday through Friday between 8:00am and 5:00pm, EST. Salary is competitive and based on experience.

RESPONSIBILITIES

Some of the roles and responsibilities which require 3+ years of experience are as follows but not limited to:

1. Visual Studio IDE
2. Writing C# / VB.NET code
3. SQL queries, stored procedures, and functions

Desired experience also includes:

1. WPF
2. WCF
3. Windows Form Development
4. MVC/Web Development

REQUIREMENTS

- Bachelor's Degree or equivalent experience
- Experience with managing code changes using a source control integration
- Eligible to work in the United States

The applicant should be prepared to work in a fast-paced team environment and work well with a team. Government Software is a complex and exciting industry so if you love to code and are good with details this may be for you!

If you possess the skills needed, and have a get it done attitude, Pioneer Technology Group wants to hear from you! We are looking to fill this position ASAP, please send a resume along with why you are the right person to: Careers@PTGhome.com
